1. Preamble

a) Demographic dividend is one of India's biggest strengths. However, our demographic dividend can be leveraged only when a suitable eco-system is made available for the youth to meaningfully deploy their energies, skills and talents towards the nation building and economic development processes. Hence facilitating entrepreneurship, which in turn leads to value creation and job creation, is governance and a moral imperative which the Government of Goa is unflinchingly committed to. Hence the Government of Goa has released this new Goa Startup policy, which pertains to proliferation of start-ups and unleashing of economic opportunities across the state of Goa.

b) Goa is a popular urban state with the highest per-capita GDP and enviable human development indices. Goa's cosmopolitan culture, impressive infrastructure, quality manpower, picturesque landscape, clean environment and development orientation, not only makes Goa an ideal base for entrepreneurs to realise their dreams, but will also play a key role in facilitating an environment that is supportive and makes the start-ups innovative and globally competitive. It is towards this objective that this new Goa Startup policy has been drafted.

c) One of the transformative factors of Startups is their matchless potential to exponentially scale up, leading to large scale job & wealth creation. While the Government is committed to promoting entrepreneurs from Goa and generating employment for Goans, the Government is equally committed to inviting the best entrepreneurial talent and the brightest innovative minds and the startup ecosystem enablers like Incubators, Accelerators, Investors from outside Goa in order to build a robust startup eco system within the state.

d) The Government recognises that education and skill development that is aligned to the requirements of the industry are vital for a robust startup eco-system. Hence the Government is committed to

continuously improving the Goan Education system, and providing Do IT Yourself course to students of schools and university for upgrading their skills.

e) In order to incentivise promising Startups to be incorporated, registered in Goa and/or operating from Goa, the Government of Goa, on a case to case basis, can grant any exemption beyond the scope of this policy, to startups operating in the following areas with a special focus on areas such as smart cities, urban management, mining, tourism & hospitality, gaming, waste management, renewable energy, education, health care, communication, and entertainment.

f) Building a lasting institutional framework that changes the Startup landscape of Goa, and makes the state an attractive Startup base for entrepreneurs, involves a concentrated strategy and robust implementation. Based on the changing dynamics of the Startups, entrepreneurs, human capital, industry and other aspects related to the start-up ecosystem, this policy will keep evolving and remain proactively responsive to put Goa on top of the Startup game.

4. The Payment of Wages Act, 1936
5. The Minimum Wages Act, 1948
6. The Employment Exchange Act, 1959.

However, start-ups will need to confirm compliance based on self-certification.

c) As part of the Government of Goa's endeavour to promote EoDB in the state, the cell has set-up an internet based single-window portal exclusively for start-ups and continues to update and maintain the portal providing due information.

d) The Goa State Start up portal (www.startup.goa.gov.in) enables registration of the start-ups, facilitates two-way communication with the Government for updates and reminders on regulatory matters, and access to the repository of information on all state-level as well as national regulatory compliances that are required for new and existing start-ups. Through the single window portal, the cell also provides a channel for the start-ups to provide policy inputs to the Government.

e) In addition, each Government department having a regulatory or administrative interface with start-ups shall have Head of Department duly appointed as a Nodal Officer designate, to serve as the single point of contact in respect of all permissions/grievances/queries pertaining to the Department concerned.

5.3. *Infrastructure-Incubators and Accelerators*

As part of Goa Government's commitment to promoting start-ups and incubators in the state, the Government would strive towards developing world-class infrastructure through the following models:

5.3.1 *Government Developed Incubators:*

a) The cell would assist in setting up one state-of-the-art, fully equipped, plug-and-play innovation and incubation centre in Goa, of an appropriate size, within the next 1 year from the date of notification of this policy. Satellite centres of an appropriate size would also be set-up across various locations in Goa, based on demand.

b) Through the incubation centres outlined above, the Government would provide the following at subsidised rates:

1) Fully functional and semi-functional plug-&-play working spaces for start-ups and incubators.

2) High-speed internet connectivity.

3) Shared IT infrastructure such as printers, projectors, fax machines, photo copiers, etc.

4) Other infrastructure like meeting rooms, server rooms, QA/QC labs, etc.

c) In the next two years, the cell would aim to mentor a minimum of 50 start-ups operating out of such Government developed facilities.

d) The cell would endeavour to mentor and train the Staff of Goa Incubators as well by using resources of DPIIT, Startup India, Central Government resources and schemes.

e) Startup Promotion Cell will explore the possibility of development and operational of a Virtual Incubation Platform for Startups. The Virtual Platform can be without charges for registered Startup. SPC will explore possibility of development of this Virtual Platform which can be self-sustaining model in few years. Funds for the same would be provisioned from the Incubation Support Fund.

f) Corporate Social Responsibility (CSR) Funding will be explored by the cell to provide additional funds to establish and promote incubators both virtual and physical. Funds raised from these CSR activities can be placed under the Incubation Support Fund.

5.3.2 *Privately Run Incubators:*

a) The cell would enter a tie-up with established incubators who would be admitting start-ups registered with the cell. The start-ups will be selected by the incubators as per their extant admission rules. The Cell will subsidize part of the cost per seat provided by the incubator and the rest would be collected from the start-up. The rate charged per-seat, by the incubator, will be as per agreed terms between the cell and the incubator.

b) The cell will explore possibility of running Incubators and Accelerator program through public private partnership mode. Funds for the same would be provisioned from the Incubation Support Fund.

5.3.3 *Incubation within Government leased space:*

a) The cell may lease fully functional and semi-functional spaces and appoint an incubator to manage the incubation process in those spaces. The leased premises and the incubation cost will be borne on a per-seat basis. Funds for the same would be provisioned from the Incubation Support Fund.

5.3.4 *Incubators within educational institutes:*

a) All educational institutes in Goa, affiliated to a recognized public university, can avail a one-time grant of up to Rs. 10 lacs towards capital expenses, for setting up of an incubator within their institute campuses, for the purpose of nurturing start-ups founded by students enrolled in these institutes. Such incubators will also be provided a grant of up to Rs. 3 lacs per year, for a period of three years, towards operational expenses. Funds for the same would be provisioned from the Incubation Support Fund.

5.4. *Access to Finance*

a) Government of Goa intends to actively support the set-up, operations and growth of eligible start-ups based in Goa through various measures giving them access to finance by enabling an investor network, funding process and financial schemes by way of incentives and enabling provisions listed in this section.

5.4.1 *Incentives and Enabling Funding:*

Through the online single-window, the cell shall receive, process, approve and disburse the incentives eligible under this policy. The cell will execute all provisions

listed in this section within 1 year of the notification of policy as per the operational guidelines of each of the incentives listed here.

a) The Government will create a Venture Capital Fund to meet the funding requirements of scalable Startups in Goa. This Venture Capital Fund will be in the nature of "Fund of Funds" and hence will not directly invest in the Startups. The objective of this Venture Capital Fund is to provide the funds needed for growing and scaling Startups. This Fund can invest upto Rs. 1 crore in lieu of Equity in promising Startups. With this Fund, the Government would aim to fund atleast 25 startups via this "Fund of Funds". The charter of the "Fund of Funds" will determine the modus operandi and process of the Fund. Government will appoint a suitable entity to administer and be the lead managers' for this "Fund of Funds".

b) For start-ups registering patents at National and International levels, the cell will reimburse up to 100% of the cost incurred by the start-up concerned in fees and all other costs associated with patent application, subject to a cap of Rs. 2 lacs for national patents and Rs. 5 lacs for international patents. Funds for the same would be provisioned from the Research and Development Fund.

c) For start-ups that have successfully entered the production/service delivery phase, 50% of the cost of trade-mark registration of their company name and logo, will be reimbursed by the cell. Funds for the same would be provisioned from the Research and Development Fund.

d) For start-ups hiring local talent, 50% of the salary of freshers will be reimbursed,

subject to a cap of Rs. 15,000 per month per recruit. Freshers for the purpose of this incentive provision are defined as professionals who have completed their graduation in the last two years. For start-ups whose work force comprises 60% of locals, a matching grant of up to 25% of salary of the local workforce will be reimbursed. Funds for the same would be provisioned from the Working Capital Fund.

e) For start-ups that operate from their own premises or rented premises, and do not use the Government developed facilities, cost towards internet connectivity, software license fees, and cloud services fee, will be reimbursed subject to a maximum limit of Rs. 1,00,000 per quarter. Funds for the same would be provisioned from Working Capital Fund.

f) For such start-ups lease rental subsidy of up to Rs. 20/- square feet per month, will be provided for a period of two years. This is applicable only for local start-ups. This incentive is subject to a cap of Rs. 3 lacs per annum. Funds for the same would be provisioned from the Working Capital Fund.

g) In order to promote innovation amongst the Goan start-ups, 50% of R&D expenses, including salaries of employees holding Ph.D and Master Degree employed by start-ups will be reimbursed for a period of two years, subject to a cap of Rs. 5 lacs per annum. Salary component must not be in excess of Rs. 2 lacs of this incentive. Funds for the same would be provisioned from the Research and Development Fund.

h) Requirements of all Government departments for Information and Technology solutions will be routed centrally through an agency nominated for this purpose. The agency so nominated

shall necessarily outsource a minimum of 50% of the anticipated requirements in terms of the total estimated contract value, to Goan Start-ups only. In cases where Goan Start-ups are not in a position to provide the product or service, then in such cases, the agency may, subject to other conditions, avail the product or service from any other source.

i) The cell will carry out a Dedicated Mentoring program and funding for Women Entrepreneurs. Startups by Women Entrepreneurs at idea stage will be given a monthly allowance Rs. 22000 per month for a period of 1 year. A marketing/technology support assistance up to Rs. 10 lakh will be provided to Women Startups'. The fund for the same will be allocated from the Women Entrepreneurs Development Fund. The Cell would aim to support a maximum of 40 Women Startups every year under the above schemes.

j) To encourage promising Startups from every region to set up base in Goa, the Cell would extend the support from Fund of Funds to even Startup from outside Goa who set up their major operations in Goa and employ more than 50% local.

6. Skill Development & Access to Talent

a) Retail educational institutes that impart programming and technical skills will be encouraged in Goa. Institutes registered with the cell and providing courses at pre-fixed rates, will be provided Internet subsidy (up to Rs. 5 lacs per year), power subsidy (up to Rs. 1 lac per year), 25% capital investments reimbursement (on all capital procurement for a period of two years), and 10% salary cost subsidy for a period of two years. Funds for the same would be provisioned from the Skill Development Fund. This would be available

for retail educational institute which are certified by the cell.

b) The cell would also come out with a list of courses that must be imparted through the Massive Online Open Courses format, in all colleges in Goa.
